

Amy & Matthew - Was ist schon normal?: Roman (German Edition) by Cammie McGovern

Die Geschichte einer großen Liebe, die sich gegen alle Widerstände behauptetDie 17-jährige Amy ist ein besonderes Mädchen. Sie kann nicht sprechen und nicht ohne Hilfe laufen. Aber sie ist unglaublich klug und wahnsinnig hübsch – zumindest in den Augen ihres Klassenkameraden Matthew, der auch nicht so ist wie die anderen. Vor allem mit Nähe hat Matthew ein Problem. Doch genau die sucht Amy, die genug davon hat, wie ein rohes Ei behandelt zu werden. Im letzten Jahr der Highschool beschließt sie, dass das Leben jetzt beginnen muss. Und sie verliebt sich in den sensiblen Matthew. Dann aber begeht sie auf dem Abschlussball einen verhängnisvollen Fehler und verletzt Matthew zutiefst. Wird er ihr verzeihen?
