While parked at a gas station, Rhonda sees something so incongruously surreal that at first she hardly recognizes it as a crime in progress. She watches, unmoving, as someone dressed in a rabbit costume kidnaps a young girl. Devastated over having done nothing, Rhonda joins the investigation. But the closer she comes to identifying the abductor, the nearer she gets to the troubling truth about another missing child: her best friend, Lizzy, who vanished years before. From the author of the acclaimed *Promise Not to Tell* comes a chilling and mesmerizing tale of shattered innocence, guilt, and ultimate redemption.
